MARINA NEWS

Big thanks to all that helped at the Cleveland boat show.

Steve and Blossom Molnar, Steve and Karen Fuller, Frank Kotora, Kirk Wilson, Rick Bjornstern, Dave Gocinski, Jim Stebbins, John Probst, Ron Smith, Randy and Chris Crawford, Dave Murray, Gary and Cindy Leibold, Bill Taylor, Jeff Bacon, Tom Forster, Jim and Sue Farquaharson. Without your help, we could not pull it off. We really appreciate the time and effort that you all put in.

Winter Events

Jim Roberts and his friend Nancy Abbot are in Trinidad getting ready to sail for the winter. Frank

Kotora is going down to meet them and will spend 2 weeks with them in February. Hopefully he will bring lots of pictures back.

It's February. What better way to say "I love you" than a new boat !!! Forget the jewelry. If you are considering making a change to a new Hunter, I must say there really is no better time than right now. Dealer inventories are dwindling, so the hottest deals are coming to an end. The new 2010's will never be priced as low as current boats in stock. Hunter is giving us incentives to clear the shelves, and we are passing that right through to you. You will never find a better value in a new boat. So make us an offer and come and gettem' while they're hot!!!

Women's Weekend

This year in addition to the Women's clinic that we do every spring Harbor North is holding a Women's weekend cruising version. There will be an emphasis on navigation along with an overnight trip. Tell your friends. Call TJ for more details.

A few Service reminders

The spring work orders are enclosed. They are two sided, one for power and one for sail. Please fill them out and return them to us as soon as possible so we can schedule your work. If your boat is blocking others, please be considerate and prep your boat in a timely fashion. If we have to move your boat, it takes a lot of extra time and can be costly for you. We are a clean marina. Please dispose of waste in the proper manner. Shrink wrap recycles, so please

leave bundles by the rack building door. Used motor oil goes in barrels behind the shop. Paint dust and chips wrapped in plastic and put in dumpster.

Thanks to everyone, and hope you have a great season!

The Yard Crew

LESSHSA News

The annual meeting for LESSHSA (the Lake Erie South Shore Hunter Sailing Association) was held January 14th at the I-X Center during the Cleveland Boat Show. The following items were decided: Renewal dues for existing members will be \$5, new members will again get their first year free, The annual

rendezvous will be July 30-August 1 at Scudder Marina on Pelee Island, Ontario. If you are not a current member, see Ellen Meyers at Harbor North for membership info. If you plan to attend the rendezvous, sign up now. We have reserved the center marina but that is only 27 spaces and 5 are already reserved.

Building a Solid Base!

A sailor, ran aground on a sandbar. A passing fisherman offered to tow the sailor's boat off the bar for fifty dollars and the sailor agreed.

After he was off the bar, the sailor joked that at \$50

a pop the fisherman could make a nice living pulling people off the sandbar day and night.

"Can't at night," replied the fisherman. "At night I haul sand."

Word Wise – Gripe

A sailing vessel gripes when, by poor design or sails not balanced properly, it tends to end up with its bow into the wind when sailing close-hauled. The sails flap around, forward progress is halted and she is very hard to steer.

On land, the term has come to mean to complain, complain, complain.
